

IOM Chief Moderator

IOM is looking to appoint a new Chief Moderator who will be primarily responsible for the overall quality control of the Institute's examination, assessment and moderation process; for running the Annual Moderators' Day; and for final arbitration in the case of a dispute over examination, assessment or moderation. In order to fulfil this responsibility, the Chief Moderator should be academically strong and have a broad experience of further and/or higher education.

Please note that this position is not full time, nor would the personnel become an employee of the Institute. The work is likely to suit a professional, most probably self-employed, who is able to work flexibly.
